[RUSH] MESSAGE: ON page 31 of the SPEC,
there's mention of AN Appendix. It
can be found. Beginning at page 44 of REM 7/23/02
is what appears to be the Appendix. It's a mixture of text,
tables & drawings, each page of which is called a "Figure".
this to be printed + IP so, how? * None of the "Figures" is
described in the SPEC; * The narrative cannot be Figures,
* the actual drawings can't be text (37CFR 1.58(a)). Please resolve -
maybe Appendix + reference p. 31 of SPEC should not be published?

Thank you - [Signature]
